

OUR LEGAL ADVISORY SERVICES

Legal Drafting

The activities and management of a pension fund require an increasing number of legal documents, such as articles of association, regulations, contracts, letters, legal opinions and legal notes. We are at your disposal to help you with your legal matters.

Your challenges

- Do you need to draw up a contract or legal letter?
- Do you need a legal opinion on a particular subject?
- Do you need legal advice on a particular case?
- Do you need legal proofreading of an important letter?

Our solutions

- We will be happy to draw up your documents that require a legal opinion
- We provide you with advice from legal experts specialised in occupational pensions and social insurance
- We will be happy to proofread your important correspondence before sending it to your customers, beneficiaries or partners.

The procedure we propose

1 **Analysis** and legal advice on your situation and documentation needs

2 **Drafting or editorial support** for all your legal documents

3 **Follow-up and advice** on any action to be taken

Why choose us?

- Legal experts who specialise in occupational pensions and have excellent knowledge of other social insurance schemes
- Personalised support tailored to your specific needs
- Teamwork with specialist actuaries
- Comprehensive legal opinions to help you take a clear stand on specific issues
